

Clitheroe Wolves Photo Social Media Guidelines

The club from time to time will require to use your child photo for use in Local Press and on Social media Facebook, Twitter and the club website. This may be to promote the club or thanks sponsors. By accepting this policy you are allowing your child's photos to be used by the club. If you wish us not to use your child's photo then please do not tick this policy.

The clubs social media sites are places where we encourage interaction and discussion between coaches, parents and the wider family of players, players who meet the social media age guidelines, and friends; in fact anyone interested in Clitheroe Wolves Football Club.

If you post a question to the club on this site we will respond as promptly as possible within normal social hours. If your enquiry falls outside of these hours, we will get back to you as soon as possible during social hours. If your enquiry is urgent please contact the relevant age group representative. A list of the representatives is shown on the club website.
